

The screenshot shows the IBM Cognos Analytics with Watson dashboard. The top navigation bar includes the IBM logo and the text 'IBM Cognos Analytics with Watson'. Below this, a large header area displays a welcome message: 'Hello. Welcome to Cognos Analytics with Watson.' It also includes a sub-header: 'You can get started right away by taking a look at our introduction video, product tour and Getting Started tabs.' There are two buttons: 'Watch video' and 'Take a product tour'. On the right side of the header, there's a user profile for 'Anshini K' with a blue circular profile picture and the text 'Anshini K (\$65793cc2006)'. Below the profile, there's a list of links: 'My schedules and subscriptions', 'Log my session', 'About', 'Manage product subscription', 'Privacy', 'Customize Preferences', 'IBM Cognos Analytics Mobile', and 'Log out'. Below the header, there's a 'Quick launch' section with four tiles: 'Upload data' (with an icon of a cloud and an arrow), 'Prepare data' (with an icon of a document and a magnifying glass), 'Exploration' (with an icon of a network diagram), and 'Present data' (with an icon of a presentation screen). Each tile has a brief description of its function.
